

Yarn Bomb Bluffton

The Bluffton Parks Department has been teaching crochet and knitting lessons for over 15 years. The classes are very popular and our city now has a lot of talented students. We thought it would be fun to put these skills to good use and “Yarn Bomb” Bluffton. Yarn Bombing is a form of art in which the artist transforms public spaces with colorful knits or crocheted yarn. In the fall we measure the trees and e-mail sizes to our students. They pick an item or two from the list and secretly work on their assignment over winter. The artwork takes 1-2 days to install. We enjoy offering creative twists to our parks that inspire others to imagine everyday items in a new way.
