- Bring a Nerf gun that uses the regular bullets/darts – Not the larger Mega bullets.
- Make sure your gun has your name on it. Many guns will look very similar and we want to make sure everyone goes home with the right gun.
- DO NOT bring bullets! We have plenty!
- You must bring your own safety glasses with you. You will not be allowed to play without safety glasses!
- Parents and spectators can wait in the bleachers of the gym.
