

## Virtual Costume Contest

Who's up for a little friendly competition this Halloween?

The Bluffton Parks Department really enjoys seeing all of the creative Halloween costumes each year. Last year we had a lot of creative costumes for our virtual costume contest, and we are looking to continue that contest this Fall as well!

Send a current photo of your child in this year's costume to [events@blufftonindiana.gov](mailto:events@blufftonindiana.gov) along with your name, your child's name, and phone number between Oct 26th - Oct 31st.

We will post photos of your child in their costume on Facebook and whichever picture has the most votes will receive a prize. Voting will take place until November 5th. This contest is open to any Wells County Resident, and you must be willing to pick up your prize at City Hall. Questions call 824-6069.
