

BLUFFTON PARKS & RECREATION DEPARTMENT

RULES FOR LEAGUE USAGE OF THE BALL DIAMONDS - 2022

1. Only sanctioned leagues may use the diamonds unless prior approval is given by the Bluffton Parks & Recreation Board. A league official will need to attend a Park Board meeting and request facilities before league drafts, practices, or games. Leagues will need to furnish the Sports Coordinator with a certificate of liability insurance for at least one million dollars, showing the City of Bluffton as an Additional Insured on the policy before using any facility.
2. A copy of the game schedule is due to the Sports Coordinator at least two weeks before the first game of the current season. One game per night is allowed until (BHMSD) school is out, except on Friday, where two games may be played. League season ends with championship games. Other games that require diamond maintenance, including All-Stars, need a rental agreement and rental fees. Leagues are not to negotiate “rentals” with other teams or leagues. Only the Park Board can approve diamond use.

Deposit and rental agreements are due two weeks before the requested tournament dates. Tournaments 2 or more days in length must pay rental fees in full, two weeks in advance. **Separate checks should be made for the fees & deposit.**

It is not the responsibility of the concession employees or any other Park employee to do this. If the diamond lights are left on, a fine of \$15.00 each time will be assessed to the team and league. This fine is due immediately. The

team's duty (s) is also to see that all equipment is stored correctly following the games. This includes but is not limited to the bases & scoreboard controls. If the scoreboard controls are left out, leagues may lose the right to use the scoreboard.

8. Each league, team, and individual coach is expected to give their fullest cooperation to park maintenance personnel, park superintendent, and park board members.
 - a. Maintenance of diamonds shall take precedence over practices.
 - b. Maintenance and repair work should be left to park personnel. Adding gravel, kitty litter, or brooming water off the diamond is not allowed. Improper maintenance causes lasting damage, and while we welcome your assistance, it must be done under the guidance of park personnel. Please report any maintenance issues immediately to the Sports Coordinator at 824-6069 or sports@blufftonindiana.gov.
9. Alcoholic beverages are PROHIBITED on park properties. Violation of this rule by any league member could immediately suspend that team and member from using the diamond.

11. The Parks Superintendent (or their designate) has the authority to take action they believe proper and prudent in the event it becomes necessary, in their judgment, to preserve order or to ensure public safety; this includes canceling/delaying games due to inclement weather and field conditions.
12. League officials may appeal to the Park Board should a disagreement occur.
13. For safety reasons, all leagues are to abide by the lightning policy that the Park Board has adopted. (See attached)
14. Leagues will be financially responsible for anything used exclusively (i.e., press boxes, scoreboards, and scoreboard controllers). Each league will also be required to purchase their backstops if pitching machines are used. Please note that the Park Board must approve backstops & any other physical changes to the diamonds. 19. All changes to the schedule, including rainout make-up game dates & times, are to be given to the Sports Coordinator by text or email (sports@blufftonindiana.gov) 48-hours in advance. Makeup games are to be scheduled in back-to-back time slots and the available time slots and dates are to be used BEFORE weekends. A \$25.00 fee will be charged if weekend days are requested when open weekday times/days are available. The fee is due at the time of the request. Concession stands will be open on the makeup dates provided staff is available.

20. Any advertisements, banners, or other objects placed on Park property will be at the discretion of the Parks Department. Banners should be appropriate for a family atmosphere. Any banners or other objects that the Parks Department determines are not appropriate or causing damage to the property, facilities, or equipment will be removed at the expense of the team, league, or tournament representatives. Banners shall be placed and removed within a reasonable time.
21. Official league names, contact personnel (names, addresses & telephone numbers), diamond diagrams, and dimensions must be provided in writing before any practices or games may be held. Any changes or repair requests need to be given to the Sports Coordinator.
22. A copy of all Parks Department and League rules, regulations, and agreements must be on hand at each press box to refer to in case of need. These should also be made available to all players, coaches, officials, and parents by posting them in the window boxes at each concession stand. League rules should be given to the Sports Coordinator to be added to the city website for reference.
23. Tobacco products are prohibited within 50 feet of the diamonds and concession stands. This includes but is not limited to cigars, cigarettes, vapor cigarettes, and chewing tobacco. This consists of all league officials, coaches, and umpires.
24. Communication between the parks department and the leagues should only be directed to the Sports Coordinator by the League Association President. Coaches and parents are not to approach park employees (maintenance or concession workers), nor should anyone other than Sports Coordinator or Park Superintendent make any request to the Park Maintenance Supervisor, particularly after work hours.
25. All-day tournaments or events will be assessed an additional \$75 fee to cover the expense of emptying the dumpster.
26. The league is empowered by the Park Department to control the behavior of participants and spectators during events to the same extent that the Parks Department is empowered. The league can eject an unruly or dangerous participant, coach, parent, or spectator from the premises during events.
27. The league shall not allow any vehicles to park in areas that are not designated parking areas unless special permission is authorized by the Park Department.
28. Violation of these regulations can result in the loss of diamond privileges by the team(s) and league(s) and forfeiture of all fees.

* Note* A potential new law may or may not affect volunteer youth coaches about "concussion training." This may become mandatory by state law. If and when it becomes a requirement for youth coaches, any coaches using the Bluffton Parks and Recreation facilities will be required to participate in that training.

- C. Any subsequent thunder or lightning after the beginning of the 30-minute count, reset the clock, and another 30-minute count should begin.

The suspension and resumption of play shall be the responsibility of the 1) umpire, 2) coach (or event coordinator/league official) 3) Parks Department Official.
