

# Cooking Under Pressure

Join Molly Hoag from the Purdue Extension office on Thursday, December 5<sup>th</sup> on the 2<sup>nd</sup> floor of City Hall (128 E Market) at 6pm for a FREE informational cooking class.

Electric Programmable Pressure Cookers are popular appliances that serve as a multi-cooker that can do the job of a pressure cooker, slow cooker, rice cooker, steamer, and more! They save you time, money and counter space. This program helps you learn about the features, benefits, how to safely operate, and sources of recipes.
