

CLUE

Parks Dept Edition

Can you solve the Murder Mystery?

Oh no! This quarantine has finally gotten to the Parks Department staff! They are tired of all the cancellations and delays in their fun activities. They wish people could be back in the parks, having fun, making crafts, working out, playing ball, swimming and playing tennis. Enough is enough! We are done with the evil Dr. Covid who started this pandemic! He must be punished!

Are you a good enough detective to figure out which Parks Department employee finally snapped? Who did it? Where did they do it? What weapon did they use? Clues will be hidden along the River Greenway, Roush Park Trail (925 W Silver), Pickett's Run Story Walk Loop (400 E Washington) and the Interurban Trail in Bluffton to help solve this crime. Be sure to maintain appropriate social distancing while you investigate and please don't touch or remove the clue!

Search high and low for paper clues along the trails that will mention either a suspect, weapon or location that wasn't used in the crime (you don't actually need to visit those parks). You will need to walk, bike or run on each path to make sure you don't miss any evidence.

Once you have figured out this mystery be sure to visit the Parks Dept Facebook page and post that you solved the crime, and how many detectives are in your family. One lucky family will be drawn to win an ice cream treat! DON'T give away the answer online, we want to keep this fun going for and give everyone a chance to figure it out.

This mystery will be available from April 16th – 27th. Use the following page to check off the clues you find.
