

# ADAMS & WELLS COUNTIES ARTIST STUDIO TOUR

[www.ArtistsStudioTour.com](http://www.ArtistsStudioTour.com)

OCTOBER 2, 2021  
10 AM - 5 PM

*Hit the open road this Fall and visit as many stops as you can on the Adams and Wells Counties Artist Studio Tour circuit. All artists will have their studio doors open to the public for live demonstrations of art at its inception. They will answer questions, and offer a selection of art pieces for sale. This is a unique opportunity to enjoy the countryside. We have curated a route that will get you to all the stops and mix-in opportunities to discover Ossian, Decatur, Bluffton, and Hoagland. We can't wait to see you.*

## THE WHY

We can't take credit for starting tours like this but we did find a noticeable gap in our area and decided to start one.

The tour is put on and fueled by a desire to promote area talent.

We've grown the tour over the years and, discovered new artists working amongst us who also want to open their studio doors to you - the public.
