

Loom Hot Pad

Potholder looms are a popular introduction to weaving and an easy way for children to make hot pads and improve their fine motor skills. There is no limit to the color combinations or designs that a child can create. These woven pads can be given as gifts or used in the home. Adults must register their children ages 7-18yrs for the FREE June 22nd class by e-mailing events@blufftonindiana.gov or calling 824-6069 with the child's name, age, and phone. This program is held inside the new pavilion at Washington Park (710 S Mulberry) from 3- 4:30pm and adults are encouraged to attend with children under 12.
