Job Description

Education and/or Experience: High school diploma or general education degree (GED); or six months related experience and/or training; or equivalent combination of education and experience. Previous experience in a wastewater department related job is desired.

Other Skills and Abilities: The following skills and abilities are either required or desired.

- A working knowledge of departmental policies, standards, and work methods is required.
- Class B Commercial Driver's License (CDL) license with air brake and tanker endorsement required obtained within 6 months of hire.
- A working knowledge of the principles, practices and processes involved in the treatment of wastewater is desired.
- A working knowledge of federal, state, and local standards and government regulations regarding wastewater treatment and water quality is desired.
- A working knowledge of the occupational hazards of work to be accomplished and the necessary safety precautions needed is desired.
- The ability to operate and maintain all equipment and tools used on the job is required.
- The ability to establish and maintain effective working relationships with employees, regulatory agency officials, and the general public is required.
- The ability to operate a computer, printer, copy machine, scanner, fax machine, and other office equipment is desired.
- The ability to speak, read and write in English is required.

Physical Demands: The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential duties and responsibilities.

While performing the duties of this job, the employee is frequently required to walk; sit; use hands to finger, handle, or feel; reach with hands and arms; climb or balance; talk or hear; and lift and/or move up to 25 pounds. The employee is occasionally required to stand; stoop, kneel, crouch, or crawl; smell; and lift and/or move more than 100 pounds with the use of an assistive device.

Specific vision abilities required by this job include close vision (clear vision at 20 inches or less), distance vision (clear vision at 20 feet or more), color vision (ability to identify and distinguish colors), peripheral vision (ability to observe an area that can be seen up and down or to the left and right while eyes are fixed on a given point), depth perception (three-dimensional vision, ability to judge distances and spatial relationships), and the ability to adjust focus (ability to adjust the eye to bring an object into sharp focus).

Work Environment: The work environment characteristics described here are representative of those an employee encounters while performing the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential duties and responsibilities.

While performing the duties of this job, the employee frequently is exposed to work near moving mechanical parts; work in high, precarious places; and extreme heat (non-weather). The employee occasionally is exposed to fumes or airborne particles; toxic or caustic chemicals; outdoor weather conditions; the risk of electrical shock; and vibration. The noise level in the work environment is usually loud.

Personal protective equipment must be worn as required to include: steel toe work boots, safety vest/shirt, hard hat, safety goggles, gloves, and protective clothing.

While the offices of the City are open from 8:00 a.m. to 5:00 p.m., Monday through Friday, this position may require work beyond these hours and on the weekends and holidays. It also requires the ability to drive Municipal Utilities – Wastewater Treatment Plant vehicles. Thus, a valid commercial driver's license (CDL) is required.
