

SUMMER STRAWBERRY PROGRAM

Wells County Farm Bureau will be partnering with the Bluffton Parks Department to host a Summer Strawberry Program at Roush Park every Tuesday in June from 10:00-11:00 am each week. The dates will be June 6, June 13, June 20 and June 27th.

The 2023 Indiana Farm Bureau Book of the Year is *I LOVE Strawberries!* written by Hoosier Native, Shannon Anderson, with illustrations by Jaclyn Sinquett. The annual Book of the Year is a part of INFB's Agriculture in the Classroom program, a grassroots, agricultural outreach program for school children in Indiana.

"Our goal is to extend reach into more classrooms, schools, libraries and homes with a book that celebrates agriculture and the important role farmers play in protecting our land and its resources" said Linda Sturgeon, Wells County Farm Bureau education and outreach coordinator.

Each week, Linda will be sharing information about the way strawberries are planted, cared for and harvested. She will be reading the *I LOVE Strawberries!* book and will be providing activities with a strawberry theme.

Please plan to attend to learn more about this super fruit for a healthy brain!
It will be a "BERRY" interesting hour each week:)
