## Variance Request Form

Created: January 2023

Applicant:	
Project Name:	
Date:	
I hereby certify that the data and information provided is accurate and correct to the best of my knowledge (affix PE seal and sign)	
Design Standards Sheet & Detail	
Description of infeasible and/or unreasonably burdensome design standard.	
Description of the alternative and how it will achieve the same objective as the standard. Attach drawings, specification sheets, manufacturer cut sheets, etc.	
Estimate of life cycle costs, including construction cost, for complying with the standard and for the proposed variance.	
Does the alternative comply with all other City of Bluffton, local, state and federal requirements? Explain.
