Class Descriptions

Teaching Food Preservation in Trinidad and Tobago – 9/26/23 **Molly Hoag**, HHS Purdue Extension Educator, recently traveled to Trinidad and Tobago with the Farmer-to-Farmer program. The purpose of her assignment was to teach farmers about safe food handling practices regarding food preservation and making flour from root vegetables such as cassava, dasheen, and sweet potatoes.

Hydration for Health – 10/3/23 Water is the most abundant substance in the human body and performs many functions. Therefore, we need to make sure we are hydrating our bodies daily to avoid dehydration. This program will teach you about the importance of drinking water, effects of hydration/dehydration, healthy and delicious ways to flavor your water and taste test infused water recipes.

How It's Made – Ever wonder how everyday items are made? Join us at Washington Park Indoor Pavilion to hear from some local businesses in Wells County on how their products are manufactured. Businesses include Valero, WEG and 20/20 Custom Molded Plastics, LLC.

Wells County History - Enjoy an in-depth look at local history at the Wells County Historical Museum. **Connie Brubaker** will be presenting on the following tentative topics: Early Churches 1837-1900. Sybil Ludington, Female Paul Revere. History of Post Offices of Wells County 1839. Oil Wells in Wells County.

Easy Fall Crafts – Taught by **Emily Marshall**. Explore your creativity at the library with a different fall craft each week. Emily Marshall with the Wells County Public Library will lead you through each craft that will be easy enough for beginners, but still allow you to get creative and make it your own. All supplies provided.

Movie/Book Club - Led by **Catherine Campbell**. Join the Book & Movie Club this fall for behind-the-scenes info and a horror-filled viewing of Alfred Hitchcock's "The Birds" starring Rod Taylor, Jessica Tandy, Tippi Hedron, and Suzanne Pleshette.

Crochet Lessons - Instructor **Kathy Gehrett** will teach new and advanced students how to crochet. Bring a size H hook, class size is limited to the first 12 who preregister.
