

Paper Skyscraper

Youth ages 7-18yrs can take the paper skyscraper challenge to see who can build the tallest building by folding, taping, and stacking paper. This FREE event is held on Thursday, June 27th in the Bluffton City Gym from 2-3pm.

All supplies are provided for this drop-in event. Adults are welcome to stay and help the children. Last year they got so tall we had to get ladders out to reach the top!!
