

WELLS COUNTY FARM BUREAU INC. SUMMER CORN PROGRAM

Wells County Farm Bureau will be partnering with the Bluffton Parks Department to host a Summer Farm Program at Roush Park on Tuesday, June 18th and June 25th from 10:00-11:00 am.

The 2024 Indiana Farm Bureau Book of the Year is *"My Family's Corn Farm"* written by Katie Olthoff with art by Joe Hox. The annual Book of the Year is a part of INFB's Agriculture in the Classroom program, a grassroots, agricultural outreach program for school children in Indiana.

"Our goal is to extend reach into more classrooms, schools, libraries and homes with a book that celebrates agriculture and the important role farmers play in protecting our land and its resources," said Linda Sturgeon, Wells County Farm Bureau education and outreach coordinator.

Linda will be sharing information about the way corn is planted, cared for and harvested. Along with the many uses and products that come from corn. She will be reading the *My Family's Corn Farm* book and will be providing activities with a corn theme.

Please plan to attend to learn more about one of top commodities in Wells County and the state of Indiana. There might even be some "corn-y" jokes included:)
